

About Neuro Charge

Neuro Charge is a plant-based inhalable formulated to promote calm, focus and mental clarity. Adaptive algorithms and optional biometric inputs tune delivery while keeping user data local & encrypted.

- ADAPTIVE DOSING
- PLANT-BASED
- GUIDED BREATHING
- NEURODIVERGENT FRIENDLY
- DATA MINIMISED

Key Benefits

Adaptive Experience

Smart dosing tuned to respiration, usage patterns & goals for a consistent effect curve.

Plant-Based & Safe

UK-compliant botanicals (lavender, peppermint, chamomile) with transparency & batch QA.

Privacy First

Local analytics, selective opt-in cloud sync, encrypted firmware & signed model pipeline.

What Makes It Different?

- Automatic shut-off + session guidance to encourage healthy patterns.
- Optional guided breathing & mindful focus sequences.
- Multi-sensory cues (light / haptics) to reinforce calm states.
- Configurable accessibility & sensory sensitivity profiles.
- Companion app (opt-in) for habit tracking & personalised routines.

PRIMARY INTEREST (SELECT ANY)

☐ CALM

☐ FOCUS

☐ SLEEP

☐ STRESS REGULATION

☐ NEURODIVERGENT SUPPORT

ANYTHING SPECIFIC YOU'RE HOPING FOR?

Optional: context, goals, pain points...

REFERRAL CODE (OPTIONAL)

e.g. FRIEND2025

☐ I agree to receive carefully curated early access updates.

Join Waitlist

We respect inboxes: low-frequency, high-signal updates. You can opt out anytime.

Why Join?

- Influence feature roadmap & accessibility profiles.
- Access early wellness protocol experiments.
- Receive limited founder circle pricing.
- Priority shipping when production batch opens.
- Referral queue acceleration.

Roadmap Snapshot

- Now:** Refining adaptive dosing algorithm.
- Q4:** Expanded botanicals & guided routines beta.
- Q1:** App early access & neurodivergent mode presets.

We won't sell data. Aggregated, anonymised telemetry (optional opt-in) helps improve safety & efficacy.
